Three (Trois)	Swac
Four (Quatre)	Iwac
Five (Cinq)	Nonoac

Lumbee Croatan Word Set

The ancestors of the present-day Lumbee people spoke several different languages, including Cheraw (Carolina Siouan), Croatan (Carolina Algonquian), [Tuscarora](#), [Catawba](#), and other Siouan and Iroquoian languages little is known about today. None of these languages are still spoken within the Lumbee tribe today. This wordlist comes from the Croatan/Algonquian language. Cheraw, unfortunately, is too unattested even to put together a wordlist.

<u>English (Français)</u>	<u>Lumbee</u>
One (Un)	Weembot
Two (Deux)	Neshinnauh
Three (Trois)	Nishwonner

Meskwaki-Sauk Word Set

Meskwaki and Sauk are two dialects of the same language. They are very closely related and speakers of the two languages can understand each other easily, but, like American English and British English, the two dialects do have some different sounds and a few different words.

[\(Click here for pronunciation guide\)](#)

Miami-Illinois Word Set

The Miami-Illinois language has not been spoken actively in some time, though the people are trying to revive it for their children. These vocabulary words come from 18th- and 19th-century sources and may well have some errors in them; sadly, there are no native speakers left to verify them.
